No. GSP/Geologica/GARL (1) 2021-2022

Islamabad; August 17, 2023

CIRCULAR

It is with great pleasure that we extend an invitation to you to contribute your latest research and discoveries to the forthcoming esteemed issue of "Geologica" Journal of Earth Sciences. We are dedicated to fostering the advancement of Earth sciences through the publication of cutting-edge research, innovative methodologies, and insightful analyses. As we embark on this journey of exploration and knowledge dissemination, we eagerly welcome your manuscripts that delve into various facets of Earth's geological marvels.

Key Aspects of "Geologica":

Rigorous Peer Review: Every submission undergoes a meticulous peer-review process led by experts in the field, ensuring the highest quality and accuracy of published content.

Multidisciplinary Approach: We encourage submissions encompassing diverse subfields within Earth sciences, ranging from geology and paleontology to geomorphology and mineralogy.

Global Perspective: "Geologica" embraces a global outlook, inviting contributions that uncover geological wonders and phenomena from around the world.

Open Access: Our commitment to open access ensures that your research reaches a wide audience, fostering collaboration and knowledge exchange.

Manuscript Submission: For detailed submission guidelines, including manuscript formatting and preparation, please refer to our website: (<https://geologica.gov.pk/>). We have streamlined our online submission system to make the process convenient for authors, accessible via the following link: (<https://geologica.gov.pk/submit/>).

Become a Part of the Geological Discourse: Your research is integral to the advancement of Earth sciences, and we believe that your insights could significantly enrich the discourse in our journal. Join us in uncovering the mysteries of our earth's geological history and shaping the future of this dynamic field.

For any queries or further assistance, please do not hesitate to contact our editorial team at (info@geologica.gov.pk). We are here to support you throughout the submission and review process.

We eagerly await your manuscripts and look forward to collaborating with you on this exciting journey of geological exploration and discovery.

Yours sincerely,

(Dr. Sajjad Khan),

Deputy Director/ Associate Editor Geologica
